Date _____

Name _____

Title _____

Company _____

Phone _____

Address _____

Cell _____

Fax _____

Email _____

Website _____

Product Name _____

Product Description _____

Particle Size _____

Bulk Density (PCF) _____

Temperature (F or C) _____ Moisture _____

Reason for Sampling _____

Sample Size Required _____ (hour or day?) _____

Frequency of Sample _____

Type of Sample (Individual, Composite, Batch) _____

Sampler Duty (i.e. 10 hrs / day 24 - 7) _____

Location (inside, outside, other) _____

Answer the appropriate question based on your situation

Flow Rate / Capacity _____

Sampling Point _____

Headroom Available _____

Belt Speed _____ Cleated/Incline? _____

Gravity Flow? Pneumatic line? Other? _____ Flow (Up/Down) _____

Shape of Convey Line / Gravity Chute _____

Dimensions _____

Electrical Requirements: Voltage / X-Proof? _____

Please include a sketch or drawing of your application if possible.
